20th Epia Conference on Artificial Intelligence (EpIA 2024): Transforming Industries through Innovation and Collaboration

About EpIA 2024

The 20th Epia Conference on Artificial Intelligence (EpIA 2024) is a prestigious international event that brings together renowned experts, researchers, and industry leaders from around the globe to explore the latest advancements and future directions in the field of artificial intelligence (AI). Held virtually from August 11-15, 2024, this conference provides a unique platform for knowledge sharing, networking, and collaboration among the AI community.

Progress in Artificial Intelligence: 20th EPIA Conference on Artificial Intelligence, EPIA 2024, Virtual Event, September 7–9, 2024, Proceedings (Lecture Notes in Computer Science Book 12981) by Frances Mary Hendry

Conference Highlights

- Keynote presentations from world-class AI thought leaders

- Parallel tracks covering a wide range of AI topics, including:

  - Machine Learning

  - Computer Vision

  - Natural Language Processing

  - Robotics

  - AI Ethics and Policy

- Panel discussions on current industry trends and challenges

- Workshops and tutorials led by experts in specific AI subfields

- Poster and paper presentations showcasing cutting-edge research

- Networking opportunities with leading researchers and industry executives

Impact of EpIA 2024

EpIA 2024 aims to drive innovation and collaboration in the AI industry by facilitating the exchange of knowledge, ideas, and experiences among attendees. This conference will play a pivotal role in:

- Accelerating the development and adoption of AI solutions in various industries

- Enhancing the understanding of AI's ethical implications and responsible implementation

- Fostering partnerships between researchers, industry professionals, and policymakers

- Inspiring a new generation of AI researchers and innovators

Call for Participation

EpIA 2024 invites researchers, practitioners, students, and industry professionals from diverse backgrounds to participate in this transformative event. Submissions are welcome in the following categories:

- **Research Papers:** Original and unpublished research contributions in any area of AI

- **Posters:** Summarizing preliminary research findings or ongoing projects

- **Tutorials and Workshops:** Proposals for interactive sessions on specific AI topics

The submission deadline for papers and posters is March 15, 2024. More information about the submission process and guidelines can be found on the conference website.

Registration and Fees

Registration for EpIA 2024 is now open. Early bird registration discounts are available until June 15, 2024. Registration fees include access to all conference sessions, materials, and networking events.

To register for the conference, please visit the registration page on the conference website.

Venue and Accommodation

EpIA 2024 will be held virtually. Attendees can participate from anywhere in the world with an internet connection.

For those attending the conference in person, there are several accommodation options available near the venue. A list of recommended hotels can be found on the conference website.

Organizers and Sponsors

EpIA 2024 is organized by the European Association for Artificial Intelligence (EurAI) and the Portuguese Society for Artificial Intelligence (SPIA). The conference is supported by a range of industry sponsors and academic partners.

Contact Information

For inquiries or further information about EpIA 2024, please contact the conference organizers at:
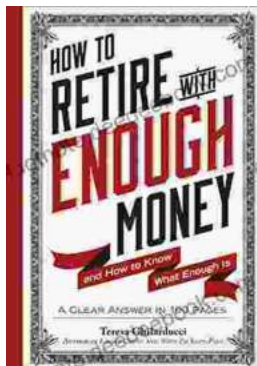

EpIA 2024 Conference Secretariat Email: info@epia2024.org Website: https://www.epia2024.org
